## SYRUP OF FIGS

ONE ENJOYS  
Both the method and results when  
Syrup of Figs is taken; it is pleasant  
and refreshing to the taste, and acts  
gently yet promptly on the kidneys,  
Liver and Bowels, cleanses the sys-  
tem effectually, cures habitual  
constipation, Syrup of Figs is the  
only remedy of its kind ever pro-  
duced, pleasing to the taste and ac-  
ceptable to the stomach, prompt in  
its action and truly beneficial in its  
effects, prepared only from the most  
healthful and agreeable substances, its  
many excellent qualities commend it  
to all, and have made it the most  
popular remedy known.

Syrup of Figs is for sale in 50c  
and \$1 bottles by all leading drug-  
gists. My reliable druggist who  
may not have it on hand will procure  
it promptly for any one who  
wishes to try it. Do not accept any  
substitute.

**CALIFORNIA FIG SYRUP CO.**  
SAN FRANCISCO, CAL.  
LOUISVILLE, KY. NEW YORK, N.Y.

**When the Rev. Horace Bushnell was**  
a boy, he was very desirous of knowing  
something about music. No one in the  
family could teach him, however, and  
his mother, who was a divine, pious  
and insight which belong to mothers in  
general, found that if he had to have  
his wish at all it must be through her.  
She obtained a book and soon  
taught him all the know-how—the scale,  
the key-note and how to find it, and the  
time of the notes.

This was only "book learning," how-  
ever, and the question was to adapt it  
to the use of the voice. Little Horace  
wanted to sing by night, and that his  
mother could not teach him. She could  
sing by day, however, and the two hit  
upon a species of reverse process. The  
mother sang familiar tunes, and the boy  
watched the notes, observing how the  
intervals and time ran along, and, as he  
expressed it, "soon began almost to sing  
with us."

And from singing airs they knew into  
notes that bore no meaning they finally  
learned to sing. And when they did not  
know of similar notation, the method  
had been unlocked, and further progress  
was easy. The mother's heart had found  
out the way.—Youth's Companion.

**Woman's Work in New South Wales.**  
There has been a little rift in the lute  
of the hitherto harmonious Womanhood  
Suffrage league of New South Wales.  
The progressive party urges the view  
that stagnation has come upon the league  
owing to its neglect to encourage the  
formation and growth of local branches  
all over the colony. It remains to be  
seen whether the present association is  
capable of expanding to meet the re-  
quirements of a political party or whether  
it will gradually dwindle away and  
give place to an organization more fitted  
to cope with the question of the place  
of woman in the community. The  
League, which has been in existence for  
nearly two years, has a membership of  
about 100, and has been successful in  
obtaining women members on some local  
committees, and in securing the admission  
of women to the ranks of the police force.

## CONGRESS ADJOURNS

The Extraordinary Session is  
at an End.

THE LAST DAY'S SESSION.

A Frigate Between the Senate and House  
Prevents the Passage of the General  
Deficiency Bill and the Bill to Pay  
Claims and Employees From Now Until  
December 4.

WASHINGTON, Nov. 4.—At 8 o'clock  
yesterday afternoon the extraordinary  
session of the Fifty-third congress  
closed in session 37 days and  
three hours, adjourned without day.  
A strange and unexpected event  
occurred over an appropriation for the  
general deficiency bill and the bill to  
pay claims and employees from now  
until December 4.

The final adjournment resolution had  
been passed and in this way the senate  
expected to force the house to yield.  
To make assurance doubly sure the  
senate also passed the same amendment  
on the bill providing for the session  
employees and clerks to members of  
the house and sent word that if the  
senate amendment was agreed to the de-  
ficiency bill would be passed.

## HAD A KNIFE.

A Drunken Officer Chases a Number  
of Boys and Threatens a Police-  
man.The other night Policeman Jack-  
son was called upon to protect some  
small boys who were playing at the  
corner of Main and Wayne streets,  
when Philip Pfath, who was drunk,  
commenced chasing them with a  
knife, which he flashed about in a  
threatening manner.Pfath was placed under arrest, but  
when they started for the police sta-  
tion the prisoner became very per-  
sistent, and begged so hard that the  
officer allowed him to go upon the  
promise that he would proceed home.  
Pfath went home, but only remained  
there a short time, when he came  
down town again, armed with the  
knife. He went to the police station  
threatening to chop the colored police-  
man into mince-meat. He also offered  
Pfath \$25 to remove Jackson from  
the force. Instead of looking him  
up in the police station the lieuten-  
ant drove him from the station and  
sent him home.

## MADDENED

At the Sight of Their Injured Coun-  
trymen.A Gang of Italians Try to Kill an  
Ohio Southern Crew, on Account of a  
Wreck.ST. PAUL, O., November 4.—(Spec-  
ial)—One of the most horrible wrecks  
that has occurred near this place for  
many years, happened on the Ohio  
Southern road last night.The sixteen camping cars of the  
Ohio Southern ballast gang were  
being taken to Quincy. In these  
cars were about two hundred Italian  
laborers. Five cars jumped the track  
and were completely demolished.  
One man was instantly killed and  
eleven were injured. All the physi-  
cians of this city were taken to the  
scene of the catastrophe immediately  
on a special train. The injured were  
placed in a caboose and taken to  
Springfield at an early hour this  
morning. The remains of the dead  
man had not been removed  
from the debris. As soon as the  
wreck happened the

## INFURIATED ITALIANS

sought revenge by attacking the  
train crew. The engineers' only  
means of escape was to cut his engine  
from the train and run to St. Johns.  
The conductor and crew were volun-  
teered to render assistance in  
rescuing the suffering humans, but  
were attacked by the Italians with  
knives, axes or anything convenient.  
Drakeman Peacock was chased three  
miles, but escaped. The positively  
refuse to allow anyone to attempt to  
remove the dead man, and threaten  
to shoot any person who would make  
the venture. It was a week where  
thousands of people were absent  
instead of present, on account of the  
angry Italians.The company has sent here for  
twelve policemen to quiet them, so  
the wreck crew can clear the track.  
Up to this time they still have pos-  
session of the wreckage, and it is  
probable there will be battle be-  
tween the police and Italians before  
they will give up possession.
